GLACIER

PRODUCT CATALOGUE

World-class ice cream expertise

We are Glacier: Europe's largest specialist partner for private-label and co-manufactured ice cream and frozen desserts. Combining expertise and craft, we deliver great-tasting products worldwide.

Glacier is a fresh force in frozen desserts, bringing together leading ice cream businesses into one Glacier group.

From everyday favourites to new flavours and formats, our 1,500 colleagues are united in ice cream excellence, bringing deep expertise and craft to everything we make.

We work across Belgium, Italy, France and beyond to create and deliver products people love and return to, combining category knowledge with modern manufacturing and operational precision.

In a category that never stands still, we work side by side with brands and retailers worldwide to stay ahead of changing trends and bring new ideas to market faster and smarter.
